Guideline for Thesis Proposal

101.11.26 updated

1. The proposal should be between 13-15 pages in length.
2. A selected bibliography is required.
3. The proposal should include at least the following subjects.
 - a. the problems, issues, objects and background of your research (Literature review)
 - b. the basic ideas, hypotheses, or intuitions concerning the problem
 - c. the methodology or approach used to demonstrate your thesis
 - d. the possible contributions of the proposed research to the scholarship of your
chosen field
